

Submitter:	Gary Clarida
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB85

#### Committee Members

Subsidizing an increase in the pace and scale of creating defensible space around homes and in communities will in time create a more fire resilient Oregon. These subsidies will also pay for themselves many times over by lowering insurance and rebuilding costs to both the public and the state. Thank you for your consideration.
