*Subject: HB2141-1*

*I, the undersigned, urge the Oregon State Legislature to pass House Bill 2141-1, establishing the Registered Commercial Interior Design Title Act to recognize, protect, and enhance the role of Commercial Interior Designers in Oregon.*

### **Why This Matters**

Oregon lacks legal recognition for Commercial Interior Designers, despite their critical role in designing safe, accessible, and code-compliant spaces.

HB 2141 will:

- ✓ Recognize the profession
- ✓ Ensure public safety & consumer protection
- ✓ Expand economic opportunities for women, small business owners, and independent practitioners

HB 2141 does **NOT**:

- ✗ Change or limit the work of architects, engineers, or residential designers
- ✗ Expand scope or require mandatory registration
- ✗ Allow structural, seismic, or exterior work

Thank you.]
