No more grants.No more money or housing for drug addict homeless sex offenders and illegals.Tina is on the rampage to house her constituents, her sex offernders,drug addicted homeless,illegals, next to law abiding tax paying,law citizens.She has declared an emergency homeless problem so she is busy rezoning towns calling it smart growth/ housing choice but I know better.She is going from single family dwellings to med and high density housing.She has 20000 at least that she needs housed on our dime .We will pay to build it and we will pay to house them.Sec 8 housing is a cash cow. We cant afford this seniors cant afford higher property taxes because there lot went from single family to high density.They are barely hanging on.No one wants to live next to someone who needs to be in jail.I dont want to pay for their housing.No No No
