Please stop this.

This bill was sold as a request to the state police to study the efficacy of the background check system. Instead you completely rewrite the bill.

That's deceitful.

You should be ashamed of yourselves.

Why can't you just be honest? Why the shady tactics? Is your bill so unpopular that you can't be honest about it and only when no-one is looking reveal your true agenda?

I refuse to comply with your tyrannical unethical immoral, government. I've complied enough.

Now go tax the poor some more! You can punish more innocents..
