

Submitter: Jennifer Webster

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

I am writing to support SB 611- Food for All Oregonians. Everyone deserves access to healthy food. Children need it to learn, adults need it to function. Allowing anyone to experience hunger in our communities makes us all less safe, less healthy, & less humane. Please support food for all Oregonians.
