As the President of the International Interior Design Association's Northern Pacific Chapter, which represents nearly 500 members across Alaska, Washington & Idaho many of whom do work in Oregon and with Oregon organizations. I'm writing in support of HB2141. And am urging you to vote YES to move the amended bill (-1) forward, a version that directly addresses AIA Oregon's concerns.

Support HB2141 recognizing the Interior Design profession for the good of all interior designers across the Pacific Northwest!

Thank you for your consideration.
