What the heck is wrong with you people!! Adding 3% to the assessed value of a home every year amounts to a new rising tax on a year over year basis that is going to further burden the homeowners in this wayward state. Crap like this has literally triggered wars, hello 1776 revolutionary, and your pushing are backs against the walls taking more of our hard earned money from our families and taking food and freedoms off our tables/lives. Knock your tyrannical garbage off and give us relief from the out of control inflation and don't create and push new and increasing taxes!! Stop acting like a bunch of commies!! Thank you.
