Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1153

Chair Golden, Vice Chair Nash, and members of the committee,

I urge you to support SC 1153 to protect Oregon's water quality not only for fish, but for all aquatic species who are critical to the overall health of our environment.

Oregon's outdated water rights transfer review process needs to be revised to protect our aquatic habitats.

Thank you!
