

Submitter: Neal Michael

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB512

I moved here 3 years ago. Part of there reason was the good fishing. I hear stories of how good the steelhead fishing was when Rock Creek was in full swing. I fish quite a bit and have yet to catch a keepable (hatchery fish) of anykind on the Umpqua. I am in support of restoring the hatchery for boths steelhead and Chinook salmon.

Thank you,  
Mike Neal
