Measure, Appointment or Topic: SB243

Strongly oppose any further infringement on the 2nd amendment rights guaranteed under the constitution of the United States of America.

OSP resources could be better utilized, and no policing agency should be used to infringe in any way on the 2nd amendment.

The governor has no right to use the OSP as her personal gestapo force, nor do any of the law makers in the state have any right to impose such things on the residents of the state without the vote of the people.
