

Submitter: Jennie Knapp

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

Please restrict access to guns in every way possible. As an educator I experience so much stress when leading lockdown drills, which have become routine to children, knowing I must be ready to risk my life to save them.

It is also heart wrenching to know that many suicides that occur in Oregon could be prevented with limited access to firearms.

Please help our community be safer by limiting gun access in Oregon.

Sincerely.

Jennie Knapp
