

Submitter: Roslyn Gray

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I'm a parent, resident, tax-payer, voter, and recreationist of Oregon. I want our state to become safer in the face of growing conflict and social division. The conditions put forth in the policy are entirely reasonable and still accommodate responsible gun ownership.

Please use your office to promote gun safety and public safety for all.

Respectfully,
Roslyn Gray
