

Submitter: Kathy Simms

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB1153

SB 1153 is unjustified to Oregonians across the state of Oregon.

I strongly oppose SB 1153

What is the legislation's end goal? This bill is very confusing to just how far our state will go in monitoring and overcharging our water.

Oregon is already overtaxing and becoming too expensive of a State to live in for many people,

I ask that you vote No on this bill.

Thank you,  
Kathy Simms
