I, the undersigned, urge the Oregon State Legislature to pass House Bill 2141-1, establishing the Registered Commercial Interior Design Title Act to recognize, protect, and enhance the role of Commercial Interior Designers in Oregon.

Commercial Interior Designers are credentialed professionals who are integral to the the growth and economy of Oregon and to the daily lives of Oregonians as they relate to the interior spaces where they work, live and play. This often overlooked role deserves and needs to be recognized, protected and enhanced in our state.
