Measure, Appointment or Topic: SB243

I am against any changes to our gun rights or our ability to purchase a gun, ammo or accessories. There is absolutely no law that will change a criminal getting a gun and us law abiding citizens don't need to be told or punished or our God given rights constantly being infringed on! We have a constitution & we have rights so quit trying to take them away!! We are sick and tired of this continual attempt to unarm us. You don't like guns? Fine, but leave ours alone!
