

Submitter:

Nicole Chaisson

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB243

SB 243-1 is a slap at the Second Amendment—a waste of OSP time, a threat to our rights, and a gift to criminals. I say no. Honor what our forefathers wrote: kill this bill, fund real enforcement, and let free Oregonians keep their arms unmolested. That's the American and the Oregonian way. Thank you.
