

Submitter:	Erik Berkey
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1153

I oppose this.. Less government regulation is what Oregon needs. If we continue to take away people's rights. The only one left in the state will be the government employees, and the state will not be able to support itself due to huge taxes and regulations just look at what's happening right now Oregon us heading in the wrong direction , very sad to me that people put fish above people, our farmers need less regulation and less taxes
