You Democrats know all too well that you steal so much of our money already that we can barely survive in this state that is controlled by degenerate life losers. Increasing property taxes every year will only continue to hurt us. But you demons don't care. Your goal is to subjugate. Tina kotek and all of you degenerates like her deserve to burn in hell. How about recouping the money you gave to illegals? How about stop stealing our money and giving it to NGOs? How about, you leave us the fuck alone?
