SB243

I am in opposition to SB 243. I don't see how this keeps guns out of the hands of those who would use them to commit crimes. I do see yet another attempt to restrict law abiding voters who want to protect themselves from the criminals that M110 invited to come to Oregon. With police forces at an all time low & a state that is unwilling to deport ILLEGALS, who are criminals, why is the State restricting law abiding citizens from defending themselves & their property? How much is this program going to cost & why are you wasting the state police's time with harassing citizen's 2nd amendment rights? If the State is so short of budget then this should not be considered at all.
