

Submitter:

Mark Brenden

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB243

I oppose SB 243. The continuation of allowing the legislation infringe on second amendment rights needs to stop. The solution is not to continue making more laws, it is having the funds and a plan to enforce current laws. The Idiocracy of the Oregon legislature must stop. Tax paying, law abiding oregonians are tired of being used and abused.
