

Submitter: Gary Thomsen

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

This is yet another attempt at restricting access to firearms for law-abiding Oregon citizens. Passing this legislation will do nothing to reduce "gun violence" by people who have no respect for the rule of law. Enforcing laws already in existence is enough to combat the problem. You should refocus your efforts on that instead of proposing and passing new laws that have only a theatrical effect.
