Measure, Appointment or Topic: SB712

Regarding SB 712: This bill is outrageous. For many people, myself included, this bill could eventually cause us to go into foreclosure. Do you not understand that if our taxes go up, our mortgage payments can and do go up? I live on a fixed income, and my mortgage payment already takes up half my income! In the 8 years I have lived in my home, my payment has gone up because of an increase in my taxes. And this bill not only effects homeowners, but renters as well! What do you think landlords do when their taxes increase? They increase the rent, that's what! How can you possibly think this bill is a good thing? Maybe for yourselves, but certainly not for the people of Oregon!
