

Submitter:	John Kennel
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1153

Please do not add any more rules to burden farmers. Farmers and ranchers have to wear many hats to run their businesses. When they have to spend more time in the office it means less time outside doing the work that they are already behind on. We do not need people telling us how to run our farms or tend our livestock. Water management is an integral part of our farm and we understand all the different aspects of this resource. Please do not mess with water rights!
