Senate Committee On Judiciary

Measure, Appointment or Topic:

SB697

Just another bill to take Constitutional rights away. An 18 yr old can get their own place, pay their own bills, drive a car, get married, etc....but they can't own a gun. They can join the military or law enforcement, putting their lives on the line for others, but they can't protect themselves or their families at home. This bill does not increase public safety, but it takes away Constitutional rights. Vote NO
