

Submitter:	Sue Craig
On Behalf Of:	Oregon Unitarian Universalist Voices for Justice
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB80

We know how contaminated ground water in Pennsylvania, put independent farmers out of business due to factory farming water pollution. We, as an organization of Faith, encourage you to pass this bill to keep that from happening in Oregon.

Thank you for all your efforts on behalf of Oregon and its people.
