On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

Members of the committee,

I am opposed to this bill. It overcomplicates and extends the time for purchasing a gun. Law abiding citizens will have to follow the rules; criminals have other means of getting a firearm. I really don't like the age restriction language; it would negatively affect our youth and young adult hunters and sport shooters. Restricting possession of semi-automatic rifles and shotguns fails to take into account the standard uses of semi-automatic shotguns in waterfowl, upland bird, and turkey hunting, as well as being a primary firearm of high school and collegiate sport shooting teams.

This bill deserves to die in committee.

Respectfully,  
Frode Jensen
