

Submitter: Lara Serecin
On Behalf Of: self
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3819

I am writing to support HB3819 as a constituent of Rep. Tran.
My neighborhood has several "massage" facilities that are not legitimized by having a registered and licensed massage therapist on staff. This ambiguity leads to the possibility of having activities that are not within the scope of what a massage therapist is trained to do occur within these facilities. Stricter regulations and oversight are needed, as this bill prescribes, to lessen the possibility of these illicit and illegal activities.
