On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I strongly urge you to oppose this bill 243

This combination of bills are unnecessarily restricting law abiding citizens rights while failing to address criminal behavior effectively.

OPPOSE the 72 hour waiting period. The current background check system already insures eligibility

OPPOSE firearm ban for adults under 21. At 18 individuals can vote, serve in the military, and assume full legal responsibility , don't take this constitutional right away from them.

OPPOSE expansion of gun--free zones. Criminals do not respect gun-free zones. Law abiding citizens should retain their ability to protect themselves and others in public spaces.
