Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB712

I am a senior with a very tight and managed budget. I have worked very hard the last 26 years to buy, building and take care of my home and property. It fills m with anger and sadness that if taxes keep going up I will lose all I have worked for.

Maybe instead of all these bills raising taxes, putting fire maps out you, our elected representatives, find a way to work within the fiscal budgets you have now and reduce.

You are taxing people and businesses out of this state.

Please do not pass this bill.
