Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB293

SB 293-1 is a necessary step to ensure that the Department of Corrections meets basic healthcare standards—treating pre-existing conditions, documenting treatment denials, ensuring care is not withheld based on release date, and maintaining an up-to-date formulary. These are fundamental expectations for any healthcare system, and DOC should be no different. I urge you to support SB 293-1 to improve continuity of care and protect the health and dignity of incarcerated individuals.
