Committee: Joint Committee On Ways and Means Subcommittee  
On Education

Measure, Appointment or Topic: SB5516

As the parent of two public school students, one of whom receives special education services, I'm writing in support of SB 5516 and fully funding Oregon schools.

Public education is essential to a strong economic future and an informed electorate.

Our kids and teachers are struggling and deserve better!  
I urge you to fully fund our schools!
