Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

Dear Members of the Senate Judiciary Committee,
I strongly urge you to oppose SB 243, an omnibus anti-gun bill that severely infringes upon our Second Amendment rights. This legislation combines several extreme measures that will unjustly burden law-abiding gun owners while doing little to address real public safety concerns.

The Supreme Court has repeatedly affirmed that the Second Amendment protects the individual right to keep and bear arms in common use. Many provisions in SB 243 conflict with this established precedent and are likely unconstitutional.

Furthermore, this bill disproportionately affects responsible citizens while failing to address the root causes of violent crime. We should focus on enforcing existing laws and improving mental health services rather than creating new crimes that primarily impact law-abiding gun owners.

I respectfully ask that you protect the constitutional rights of Oregonians and vote against SB 243. Thank you for your consideration.

Sincerely,?

Linda Jung
