Measure, Appointment or Topic: SB5516

As an Oregon resident for a quarter century, I am writing to express my support for SB 5516: State School Fund Bill. Oregon has a lot of work to do to elevate our education system and it starts with funding at the state level.

It is important we come together as Oregonians to fund Oregon's public schools and education service districts throughout the state. Our collective commitment to supporting all students in their academic pursuits and to prepare them for the future is paramount to the success, growth, and stability of our state.
