Committee: Joint Committee On Ways and Means Subcommittee
On Education

Measure, Appointment or Topic: SB5516

Dear Joint Committee,

As a pediatrician, I know from my own experience working 36 years in Portland's poorest area, & from innumerable studies, that education reduces crime. And good schools have been shown to increase property values. So education is one of the best investments legislators can make in the future of our state. Please be imaginative in finding funding for them. Thanx, Dr. Ginny Feldman
