

Submitter: Katie McCollam

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee  
On Education

Measure, Appointment or Topic: SB5516

I am writing in support of providing additional funding for Portland Public schools. As the backbone of our strong communities, further investment in public educational systems is critical to show our state's unity and commitment to equality of opportunity to learn and receive the educational support that each child in this state needs and deserves.
