Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB712

Property taxes are high enough. People struggle to pay them now. If this passes you will have more homelessness. I have worked all my life to have a home paid for. If this passes and when I retire I won't be able to stay in my home which I have worked and paid for. Where would you like everyone to live if they can't afford their property taxes? This seems to be one way for you to steal their property.
