

Submitter:

Greg Pittman

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB243

I oppose SB 243 for the simple fact that it will do absolutely nothing to stop crime and prevent suicide. When will our elected officials in this state get serious about the root cause of all these issues and deal directly with them? Please tell me and the entire state of Oregon how putting a hardship on citizens that follow the rules will prevent crime and suicide...this legislature getting out of hand in this once great state
