

Submitter: Robin Cherry

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I oppose this bill. Why are we punishing young adults between the age of 18 to 21. You want to restrict the right to bear arms with a state background check and a waiting period.

The democrats are willing to let a child change genders allowing permanent bodily changes. But will oppose gun ownership due to age. Why is this acceptable with the two standards.

Place gun safety into every school curriculum
