

Submitter: Charles Lebold

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SJR28

I fully support SJR 28 and I ask that this amendment be referred to the voters of Oregon.

This amendment is necessary to help ensure that Oregon continues to provide a safe and healthy environment for all Oregonians and to stand as a model for subsequent federal action in joining global efforts to stabilize human-caused rapid climate change at a level that allows for thriving global economies and robust biodiversity.
