

Submitter:	Dave Ganslein
On Behalf Of:	The United States Constitution
Committee:	Senate Committee On Judiciary
Measure, Appointment or Topic:	SB243

This obviously unconstitutional bill is an insult to every law-biding Oregonian. It will do nothing to prevent crime. Criminals don't obey laws, that's why they're criminals.

If my beloved fellow Democrats want to reduce crime, then put criminals in jail and leave law-abiding citizens alone.

Bad legislation can effect the outcome of the next election. Our super-majority could vanish.

NO ON SB 243
