Hello my name is Anne Campbell. I am a native Oregonian. Naturally growing up in Glide. I grew up hunting & fishing. I think its appalling the way Oregon has changed. Our police force is underfunded. I live out in the country. In between wildlife & tweakers you need to be able to defend yourself. Common sense tells you that & statistics. Gun violence & property theft is less of a problem amongst an armed population. You claim that you are making laws to protect people but the opposite is true. Our eyes are open now. Your lawlessness & corruption will get you in the end. Good always triumphs over evil. Your job is to protect the people & the constitution. Its absolutely pitiful the job you are doing. All you are going to accomplish with this law is making criminals out of lawful citizens. Good Day!
