SB243

Please! Stop with the laws that only effect law abiding gun owners! We have SO MANY PROBLEMS in Oregon and you keep trying to pass law after law that punishes and makes criminals out of the people in this state that PAY OUR TAXES - and ultimately PAY YOUR SALARIES - and you can't seem to stop long enough to see that the laws you keep trying to pass are not doing anything to stop gun crimes. Go after the criminals! Stop the drugs! Drugs make criminals out of users and they STEAL THEIR GUNS, they don't buy them. You have to go after the root causes, not the law abiding people. Plus there is that pesky 2nd amendment - these laws are unconstitutional and will just waste time and money although that doesn't seem to be a problem to you. Maybe you should try and solve the drug problem, the homeless problem, the education problem, the unaffordable housing problem before you try to pass more gun laws, wouldn't that be amazing? DO YOUR JOBS.
