

Submitter: Brit Zimmer

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB712

To our representatives,

We do not want our taxes raised. We expect tight & efficient managing of the tax dollars the state of Oregon already takes from us. We also expect our state government to be responsible stewards of our tax dollars by continually trying to find ways to REDUCE our tax burden through creative means in order to stimulate our economy by freeing up more income dollars for our own investment & spending.
