SB243

How many gun owners who LEGALLY purchase their guns, go on to commit crimes with them? This is absurd. Oregon is already now WORSE than California. That's bad. QUIT TRASHING THE CONSTITUTION! All of this stuff is going to get overturned at a federal level anyway; you're only wasting resources and millions! Stop trampling our God-given right to protect ourselves and our CONSTITUTIONAL rights to bear arms! CRIMINALS DO NOT FOLLOW GUN "LAWS"!!!
