

Submitter: Tim Allen

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

I disagree with this Bill. I'm very disappointed that this Bill found sponsors for such nonsense. When or IF there is a significant man made change in climate in Oregon perhaps we can visit this, but currently there is no discernible change in the climate here beyond its historical variables. Stop the nonsense, vote no on SB1187
