

Submitter: Tim Allen

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB712

All organizations experience funding ebbs and flows, those who are sustainable learn how to adapt. It is unfair to increase property taxes regardless of real market value decreases. If 1/2 the effort that was put into increasing tax revenue were put into cutting expenses, this Bill would not be necessary. Please vote no on SB 712.
