SB243

Please oppose SB 243. It is an under handed sham to try and use this bill as a deterrent to suicides. Shame on those using youth to promote this bill who are unable to see the whole picture. If the goal is to reduce the number of shootings, this bill is counterproductive. Any reduction in 2A rights favor the criminals. Criminals will be more bold in committing crimes knowing that fewer citizens can protect themselves and their families. Furthermore, gun free zones attract violence.
VOTE NO ON SB 243.
