

Submitter: Randell Whiting

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I strongly oppose SB243 and hope you will vote this measure down. This bill does nothing to deter crime and only shackle the law abiding citizens. It is a violation of our 2nd Amendment rights and if passed, will be challenged in courts for years to come, wasting taxpayers dollars best spent on actually stopping and incarcerating criminals.

Respectfully yours,
Randell Whiting
