Measure, Appointment or Topic:

SB210

I oppose this bill because it would destroy a functioning, successful method of voting that has made the ability to vote more accessible and understandable for Oregonians, for years. Allowing Oregonians to vote by mail makes voting more equatable to the disabled and elderly, but also to those who have demanding schedules and who lack transportation, making it hard to vote in person. This bill aims to wreck something that WORKS! Vote NO!
