

Submitter: Angela Pederson
On Behalf Of: Law Abiding Oregonians
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB243
To Whom It May Concern,

I am requesting that you oppose SB 243.

?? Oregon's licensed firearm dealers already comply with strict federal laws.

?? Criminals do not buy their guns legally—this bill won't stop crime.

?? Increased licensing and inspections will hurt small businesses, not criminals.

?? Straw purchases and gun trafficking should be addressed through law enforcement, not red tape for lawful businesses.

?? Oregon does not need more unnecessary government overreach into private businesses.

HB 3076-1 is a solution in search of a problem—it will only harm lawful gun dealers while failing to address the real sources of gun crime in Oregon.

Sincerely,
Angela Pederson
